

Remarks

This amendment does not add new matter.

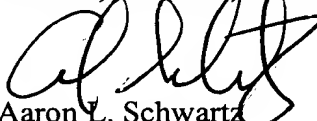

Attached herewith is a copy of the Notice of Draftsperson's Patent Drawing Review (Form PTO-948) dated May 9, 2003, wherein in the "Comments" section it is indicated that the PTO-948 is waived effective April 9, 2004. Also attached herewith is a copy of a new Notice of Draftsperson's Patent Drawing Review (Form PTO-948) dated March 31, 2004, wherein it is indicated that Figure 1 is objected to because it contains the words "Figure 1 continued."

It is noted that original Figure 1 consists of two sheets and the second sheet contains the words "FIG. 1 CONT." The replacement drawing submitted herewith is on one sheet only and complies with the Notice dated March 31, 2004. Acknowledgment of the receipt, approval, and entry of this formal drawing into this application is respectfully requested.

Accordingly, as no other figures are objected to, it is believed that all of the drawings are now in compliance with USPTO requirements.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
